GOLD MEMBERSHIP AWARD

It is a great honor to receive the FEA Gold Membership Award given at the Delegate Assembly October 13, 2023. The gold award is earned by any local that achieves a 2% membership density increase during the Measured Period – May-2022 to May 2023. The next goal for OCEA is the FEA Platinum Membership awarded to any local who achieves or maintains a 70% density by May 31st.

Membership Density
ESP 27.5%

Instructional 48.8%

Share the QR code today and help potential members join by completing all 3 steps.

2. FEA Portal
3. Connect bank account (green box)

SITE VISITS CONTINUE TO BE A PRIORITY FOR PRESIDENT JANET MOODY

In order to best represent the educators of Osceola County it is important to be where the educators are the most. For this reason, President Janet Moody set the goal to visit each school once each quarter. She has been working hard to deliver on that goal. “I love listening and then taking those conversations back to the many individuals I interact with to improve working conditions.”

OCEA is currently on the second round of school visits beginning with the schools in Poinciana and working north and east in the county. If there is a particular day you would like a visit, contact the office to be placed on the schedule.

Tohopekaliga High School is union strong!

Please complete the survey for the Education Support Professionals National Bill of Rights.

MONEY MONEY

Our office now accepts checks, credit cards, and debit cards for dues payments. This may be more convenient than trying to get to our office during the busy work week.

Members who are leaving the district must notify the office 5 days prior to a draft in order for the draft to be stopped.

Boggy Creek has OCEA pride!

LATINX AFFINITY GROUP

OCEA PRESENTS:
