

## **Norine Stazko**

**Executive Board  
High School Representative**

I'm Norine Stazko. I am currently the ESOL Compliance Specialist at Gateway High School.

I have been with the district since 1988 and a member of OCEA since then too. All told I have been in Education for nearly 43 years. I have been a building rep for OCEA for several years. I have represented Instructional employees on our bargaining team for many years now. People at my school and elsewhere see me as the go-to person for answers to many questions, I usually know where to look or who to ask. I get results. If you are looking for experience and knowledge, I am your person.
