

YOUR YEAR OF FINANCIAL HEALTH

The New Year is the perfect time to set financial resolutions that can help you develop healthy habits and work towards your goals. Whether you're looking to save more, reduce debt, or simply get a better handle on your finances, these resolutions can set you on the right path.

MONITOR ACCOUNTS DAILY

Make it a habit to log in to your financial accounts daily! Staying updated helps you manage your finances and fight fraud and identity theft effectively.

CREATE FINANCIAL GOALS

Whether it's saving for a vacation, paying down debt, or boosting retirement funds, be clear about amounts and deadlines.

MAKE SAVING A PRIORITY

Review accounts to spot spending patterns where small changes can add up. Debt consolidation or refinancing may lead to even more savings.

REVIEW FEES

Cutting unnecessary fees is a simple way to save money! These small changes can make a big difference over time.

LEARN MONEY MANAGEMENT

Since money affects your entire life, invest time in learning about financial literacy through free online courses or financial webinars.

FIND SUPPORT

Take advantage of resources like your union's partnership with Suncoast to access a personal banker for all of your financial needs.
